CREDIT AGREEMENT

Applicant understands that he/she/it is entering into a commercial credit transaction, and the Applicant warrants that all materials purchased will be used solely for commercial purposes and not for any family, household, or other consumer use. Applicant agrees if Applicant is a Corporation and if any of the information contained in this Credit Agreement is incorrect or if any check from Applicant payable to MG is dishonored for not having sufficient funds in Applicant's account, MG can disregard the corporate entity and hold each officer and director of the corporation individually liable for all charges due from Applicant to MG. Applicant and MG agree in consideration for sales to Applicant on open account that the Applicant will promptly notify MG of any non-conforming goods or services, and will reject such goods and services within a reasonable time after MG's delivery or tender of such goods to Applicant or within a reasonable time after it performs such service(s) for Applicant pursuant to Section 2.502 of the Texas Business and Commerce Code (Uniform Commercial Code). Applicant and MG agree that given the conditions of the industry in which Applicant and MG operate, a reasonable time for rejection of goods or service(s) provided by MG to Applicant is the period of three (3) days from the date of the Applicant's receipt of MG's goods or services. Applicant agrees that if it fails to reject any of MG's goods or services within three (3) days of delivery or tender by MG, then Applicant will be deemed to have accepted the goods or service(s) pursuant to Section 2.606 of the Texas Business and Commerce Code (Uniform Commercial Code) and Applicant will thereafter be forever barred from any claim against MG for any non-conformity of goods or services. **APPLICANT AGREES IN CONSIDERATION OF SALES TO APPLICANT ON OPEN ACCOUNT THAT APPLICANT'S MONETARY DAMAGES FOR ANY NON-CONFORMING GOODS OR SERVICES PROVIDED TO IT BY MG SHALL BE LIMITED TO THE INVOICED AMOUNT OF SUCH GOODS AND SERVICES.**

All legal rights and obligations hereunder and for each and every purchase by Applicant from MG shall be determined in accordance with the laws of the State of Texas, and venue for the enforcement or collection of any obligation of Applicant to MG shall be in Bexar County, Texas. Payments, when received, shall be applied to accrued interest and charges then due and the balance, if any, to the payment of the oldest outstanding invoice balance(s). Applicant and MG are cognizant of section 16.072 of the Texas Civil Practices and Remedies Code. Applicant agrees and stipulates that any claim or cause of action it has against MG, including any claim for setoff or recoupment will be forever barred if it is asserted more than two (2) years after the cause of action accrued. In no event shall interest contracted for, charged or received by MG, plus any other charges in connection herewith, which constitute interest, exceed the maximum interest permitted by applicable law, and if, at any time the interest received, charged or contracted for exceeds the maximum lawful interest rate, MG shall either refund the amount of the excess, or shall credit it against other obligations or indebtedness owing by Applicant to MG, and such excess shall not be considered the payment of interest.

The information provided by Applicant in its application for credit is true and correct in all respects as of the date of the application; and Applicant expressly and irrevocably authorizes MG to conduct any credit investigation, or to verify any other information MG deems necessary now or at any other time. Applicant is indebted to MG, whether through any credit reporting agencies or directly through other creditors of Applicant.

Applicant expressly waives all notices, demands for payment, presentment, protest and notice of protest as to each and every obligation of Applicant to MG. At any time, without notice to Applicant, and with or without cause, MG may, in its sole discretion, require that Applicant pay cash for purchase of any goods or services at the time of such purchase or at delivery of the goods or services, and may refuse to extend credit to Applicant.

If the account is placed in the hands of a third party for collection, or suit is brought on same, or the same is collected through probate, bankruptcy, or other judicial proceedings, Applicant agrees and promises to pay all costs of collection, attorney's fees and court costs.

This agreement, together with the invoices issued from time to time, shall constitute a contract with the Applicant with respect to credit purchases from MG.
